HEARTLAND

ASPHALT, INC.

HEARTLAND ASPHALT
IS A FULL SERVICE
ASPHALT CONSTRUCTION
COMPANY BASED
IN MASON CITY, IA.
HEARTLAND ASPHALT
SERVES A 15 COUNTY
AREA IN NORTH CENTRAL
IOWA BUILDING QUALITY
HOT MIX ASPHALT
PAVEMENTS FOR STATE,
COUNTY, MUNICIPAL,
COMMERCIAL, AND
PRIVATE CUSTOMERS.
OUR CAPABILITIES
INCLUDE DESIGN
LAYOUT, EXCAVATION,
BASE PREPARATION,
CONSTRUCTION OF
NEW PAVEMENTS,
AS WELL AS,
REHABILITATION
AND
MAINTENANCE
OF EXISTING
PAVEMENTS.

DID YOU KNOW?
Stage Construction offers opportunities to keep projects moving forward.

IOWA FALLS applied for a R.I.S.E. Grant to hard surface Cadet Road which had an existing gravel surface. This road will service a new business that will attract heavy truck traffic. New water pipes needed to be laid, and normally paving would have been deferred until the subbase had completely settled. However, the need for a new road surface was so urgent Heartland Asphalt came up with the solution: build the road in stages. A 5-1/2 inch asphalt base and a 2 inch asphalt intermediate course were laid last fall. This provided a hard durable surface, while still providing an opportunity to correct settlement areas in the subbase, if any occurred. In the summer of 2002, the final 2 inch asphalt surface was placed. The 9-1/2 inch asphalt pavement design required 10,000 tons of asphalt. Engineering the \$560,000 project was Clapsaddle-Garber and Associates of Marshalltown.

"...I can't say enough good things about the Heartland people. A good bunch to work with..."
